
Fraternal Life in the Silicon Age

How you can use technology and the internet to you chapter's benefit

Silicon (n.)

: a tetravalent nonmetallic element that occurs combined as the most abundant element next to oxygen in the earth's crust and is used especially in ferrosilicon for steelmaking, in other alloys, and in **semiconductors**

Workshop Overview

We will discuss how to use technology to your chapter's advantage, and how to improve efficiency and organization through the utilization of good software. Additionally, we'll examine how to easily create a public-facing website to improve online presence.

Why Organization is Important

- Members are able to more easily identify what their responsibilities are
 - Chapter can meet deadlines and get more accomplished
 - Easier to pass information to the next class of members when you graduate
 - History can be referenced to help members in the future
