

Reach for the Stars Guidelines

Star 1: Turn in all paperwork and dues in on time (Determined as of March 30th)

This will be determined by the council two weeks before district convention by using the Online Membership and Reporting System. If there are questions about certain paperwork, then individual chapters will be contacted.

Star 2: Complete 3 Musical Service events in the community (Due March 30th)

Once completed all 3 you must send an email to sedvpp@kkpsi.org with the title "**Chapter Designation* - Service Event Star Completion*" with a paragraph explaining what the event was, how many brothers were involved, and any other info you wish to include. Also a photo of the brothers at each event must be attached to the email.

Events that fit underneath this category:

- Volunteering at a high school, middle school, or elementary band program
- Playing at an assisted living home or at community events
- Holiday caroling at local hospitals
- Assisting at events for musical organization such as *A Gift for Music, Bands of America*
- And many others!

Please contact me if you are unsure about an event!

Star 3: Complete each month's initiative events (October, November, January, February, and March)

Each month we will announce a new initiative event to assure that everyone is checking their communication resources with time to complete the event.

The first month's event (October) for example is for each chapter to submit at least one project that they have done that has benefited their respective school's music program. These will go into a database and every week 1 will be selected to be featured on social media, for *Showcase Sundays*.

This form is located at this link: <https://goo.gl/forms/X6em1VJcOeiuzNmZ2>

This also will be available even after October for submissions all year long!

Star 4: Submit 3 workshops or have 3 brotherhood events (Due March 30th)

For the 3 workshops, these can include any presentations or integrated discussions that are held with a chapter about topics such as service, leadership, musicianship, or other chapter operations. Once you have all 3 workshops completed please send sedvpp@kkpsi.org an email entitled "**Chapter Designation* - Workshop Star Completed*" and attach the presentations or detailed notes, and a when the workshop was held.

For the 3 brotherhood events, these can include any events that focus on building the bonds of brotherhood such as teambuilding or leadership activities, social events that focus on communication, or events that work on the relationships of brothers in a chapter. Once you have all 3 events completed please send sedvpp@kkpsi.org an email entitled "**Chapter Designation* - Brotherhood Event Star Completed*" and include an outline of the event, what values or lessons did you hope to get or what did you feel actually was gotten out of it, and include a photo or the date of the events that were held.

Star 5: Submit 5 events to the district calendar (Due March 30th)

How to Submit Events:

Please create a Google Calendar event with the title (**chapter designation* - *name of event**) and include all important information such as parking, dress code, etc., and send an invite to sedvpp@kkpsi.org
